

18<sup>th</sup> March 2020

Dear Parents, Carers and Students,

we very much appreciate that these are unprecedented times but should you have to stay at home (either due to isolation procedures or if schools are closed) your teachers have compiled this list of online resources. Some require registration, others you have usernames and passwords for already. If you have forgotten the login for a specific one please email your class teacher using the O365 system. Should we move to a full school closure at any point we will communicate more comprehensive learning plans.

Best wishes,

Mr Shaw  
Principal
